

Cindy Cannon is a Past Region 8 Advisor, and a past District 44 Governor, who brought the District to #4 in the world and #1 in North America during her 2008-2009 term. Cindy has served in nearly every Toastmasters position available. She has also earned every recognition award, from Distinguished Toastmaster to Area Governor and Division Governor of the Year awards.

Toastmaster Cannon was recognized with the President's Award, the Excellence in Leadership Award, and several others over her Toastmaster tenure. Cindy held the Chief Ambassador for Pathways position for 2 years. Her passion for Toastmasters produced over 92 corporate club openings.

When Cindy is not focused on her Toastmaster roles, she partners with her husband of 34 years in Growth Management Group and works for Accountants One as one of their top Recruiters for the past seven years. Her main positions include Executive Recruiter, Interview and Speaking Coach, Inspirational Speaker, Published Author, and now District 44 Speakers Bureau Chair since resurrecting the program.

As the District Speakers Bureau Chair, Cindy Cannon led the presentation, Oct 5, 2019 event, *From Free to Fee, Toastmaster to Speaker!*

Topic 1: Time Management – How to Manage your Time for Business and Personal

Summary: This program is for anyone who has trouble managing their time or if you hear the words or say the words, "I don't have enough time."

Topic 2: How to interview for a job or promotion in today's world.

Summary: This is for anyone who must go on an interview or wants to be promoted. It is all about the Culture, the people, and many other factors. Learn the tricks and secrets from an expert in the field with 34 years of experience.

Topic 3: Inspiration- How to have anything in life you want, no matter what the circumstances are.

Summary: Hear the fascinating story of how Cindy lived thru seventeen surgeries, two near death experiences, amnesia, two rare chronic auto immune system deficiencies and even body parts being replaced. She, against all odds, lived and remained successful in a wonderful career all while managing several businesses amid the illnesses.
